RESPONSE TO RESTRICTION REQUIREMENT

Dear Examiner Shiao:

In response to the Restriction Requirement in the above-identified application, mailed May 31, 2005, the Applicants respectfully elect without traverse **Invention III**, claims 25-36 (in part) and 45-58 (in part), drawn to compounds and compositions of formula (C), containing compounds not encompassed in Groups I-II; classified in class 514/540/544/546/548 with various subclasses. Further, the Applicants respectfully elect for search purposes the species corresponding to the structure **35** depicted below. Claims 25-36, 45, 46, 51 and 58 read on the elected species.

Of course, the election of Species made herein is made solely for search purposes. The Applicants expressly reserve the right to prosecute species not elected herein in other patent applications claiming the benefit of the filing date of this application. Furthermore, the Applicants understand that upon allowance of a generic claim, they will be entitled to consideration of claims to additional species which are written in dependent form or otherwise include all the limitations of an allowed generic claim. See 37 CFR 1.141.

Fees

The Applicants believe that no fees are due in connection with the filing of this Response. Nevertheless, the Commissioner is hereby authorized to charge any fees due in connection with the filing of this Response to our Deposit Account, **No. 06-1448**.

Conclusion

The Applicants believe that the pending claims are in condition for allowance. If a telephone conversation with Applicants' Attorney would expedite prosecution of the above-identified application, the Examiner is urged to contact the undersigned.

Respectfully submitted,
